

# Hospital Visits

---

## HOW IT WORKS

Support young patients and their families by bringing some cheer during their hospital stay. This program provides teddy bears and an uplifting visit to hospitals nationwide. The teddy bears are a comforting gift and a welcome distraction, helping to brighten the day of young patients undergoing medical treatment. Celebrities and special guests often take part in the teddy bear distribution, adding an exciting element to the visit, and helping the children feel better.

## SPONSOR BENEFITS

Your company logo will appear on the teddy bear t-shirts and on all event signage, email blasts, and social media posts

Your company sponsorship will be recognized in all press and marketing materials relating to the event

Your company name and link to your website will be highlighted on beargivers.org sponsor page

Your company will be encouraged to volunteer by helping to distribute the teddy bears, which is a great team building opportunity

Your company will be included in any news coverage that may result from this event
