

Leading with Kindness

HOW IT WORKS

Support Public School students by giving them an opportunity to show kindness to others. This program teaches kids about inclusion and acceptance in an effort to combat bullying, racism, prejudice, and antisemitism. Students take part in an activity where they research and learn more about individuals and groups in their community that they feel could benefit from a kind gesture. They decorate teddy bears and write personal messages in note cards to deliver to others which teaches them that a simple act of kindness can make a huge impact.
