Diane,

I just wanted to make you aware that, thanks to Bear Givers, we were able to offer 2 full scholarships and 2 half scholarships to students that otherwise would be hard pressed to pay for our summer programming. They are all extremely grateful and thrilled that their students can participate.

We'd like to talk to you about perhaps joining the art effort through Bear Givers next year, as several parents and staff members would like to see our students display their talents next spring during April, which is autism awareness month.

Thanks,
Carol
